*On October 7, 2003, in parent application Serial No. 10/384,063, Applicants timely filed an Information Disclosure Statement (IDS) citing the Japanese references listed on the attached Form PTO-1449. Applicants also submitted a copy of the International Search Report issued July 7, 2003, which cited the Japanese references and served as a concise explanation of what was presently understood to be the relevance of each non-English language publication in accordance with 37 CFR § 1.98. On March 11, 2004, in the present application Serial No. 10/797,057, Applicants timely filed an IDS, listing all references cited in the parent application Serial No. 10/384,063 on a Form PTO-1449 and omitting copies of the references pursuant to 37 CFR § 1.98(d).

However, in the present application Serial No. 10/797,057, the Examiner has stated in the Office Action issued on August 24, 2005, that he has not considered the Japanese references listed on the Form PTO-1449 submitted with the IDS filed March 11, 2004 "because no English translation (or translated abstract) was provided." As a result, Applicant's are submitting herewith copies of the International Search Report issued July 7, 2003 and cited Japanese references with English abstracts. As a result, no fee is required.
